

Scheduling Success with Amira

Make the most of Amira by intentionally integrating it into your classroom schedule.

Scheduling Tips

- Stick to a consistent schedule. Daily use, even in short sessions, leads to stronger reading progress.
- Use Amira flexibly, individually, small groups or as a whole class.
- Differentiate time based on student needs (e.g., extra time for struggling students).
- Tap into low-structure times, such as arrival or morning work, for Amira use.
- Consider assigning Amira as homework for students with device access at home.

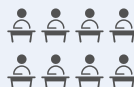

Individual

Independent work, intervention, homework, etc.

Small Group

Centers, intervention, English Learner support, etc.

Whole Group

Literacy block
