Middle school

HOW TO USE

Set a class goal based on one of the following:

- Stories read (Tutor)
- Tutor, Instruct, or High Quality Minutes
- Activities Completed (Instruct)
- Percentage of students in the class meeting their usage goal

Write the goal on this poster and display it in your classroom to motivate students. Use it alongside the [Class Goal Tracker ↗](#) to monitor progress.

HOW TO PRINT

Print the one-page version on letter paper, or print the four-sheet set and tape the pages together on the dashed lines for a wall-size poster.
